RECOMMENDED CLASSIC DANCE PRACTICE LIST FOR DANCE XPERIENCE ORLANDO

These are dances selected by Diane & Sandy as classic favorites from our choreographers. These 10 classic dances from each choreographer are guaranteed to be played at least once during the Dance Xperience weekend. There may be other classics that you like that are not on this list. Don't worry! You will also have the opportunity to request all your other favorite older classic dances or your favorite new ones over the weekend. (Dances listed alphabetically.) This list is modified to include Rachael's Classic dances. Although Debbie Rushton can't be with us, you can still request her dances if you love them!
